

HEY FEMALE SOCCER PLAYERS-

The captains have organized the following out of season events- check them out:

Upcoming Events

September 11th- Support the Boy's!

Come and support the boy's soccer team at their home game against Notre Dame.

The game begins at 6:30; this is a great opportunity to meet members of the team and sit together as we support the boy's program.

Be sure to wear your De Pere Redbird apparel! As a team we are hoping to attend as many of the home games as we can (check out the De Pere Soccer website for game times and locations)!

Fall Scrimmages/September 17th

We would like to make sure to maintain our touch and conditioning level through-out the fall and winter.

Beginning Wednesday, September 17th, we will be scrimmaging at Jim Martin Park every Wednesday (until it snows of course). We will meet in the Atrium at 3:20 and then carpool over to Jim Martin for 3:30.

Plan to spend an hour or so scrimmaging. This is a wonderful opportunity to meet your new teammates and develop coherence prior to the season ever beginning.

Fall/Winter Indoor

Last year we had three teams that competed in the indoor sessions. It was very apparent to all players and coaches the impact this had on our success during the season. We will be compiling teams to play in these indoor sessions prior to our season beginning.

Games are played on Sunday afternoons and evenings. Make sure to keep your eyes and ears open for information about indoor from your captains.

Preseason Team Building Events

We have learned the value of team synergy in the past, and are excited to get a start on building our new team as early as possible.

We know that being a new player can be intimidating, but we want ALL soccer interested girl's to come and get-to-know each other. Even if you don't know anyone, we will welcome you with open arms and do our best to make you feel at home!
